Cathy Higgins-cosigner of the Agreement

Greetings to each of you from the MDU of the NCP,

I am pleased to provide you with this report at the end of the first year of our joint agreement. We are grateful to have the opportunity to work with you, as we both develop in so many ways. The spiritual realm through the prayer partnerships is very rewarding and a vital part of our agreement. We have been blessed to walk beside each of you as you work on behalf of the women, your families, and your communities. We look forward to collaborating again next year and will be planning our financial support at the beginning of 2016.

It is hard to believe that 9 months have passed since we signed the agreement to work together on issues that mean so much to us, as brothers and sisters in Christ. There has been much accomplishment for those who live in Guatemala and the United States.

We will continue to pray for your success and the wellness of your families during this Holy Season.

May God Bless each of you and wishes for a Prosperous New Year.
