

Respectable Brothers and Sisters of New Castle Presbytery:

We greet you in the name of our Lord Jesus Christ. We desire that you receive always abundant blessings from God in your lives along side of your families and in the ministry that you realize in the work of God.

Through this means, we would like to express our apologies for not communicating earlier in response to the loan and donation we received in the amount of \$800.00 and the total loan amount of \$900.00. After having a discussion with the brothers from the delegation, we understand the situation and the process of the loan. We have decided to accept the proposal because we are interested in completing the construction of both rooms of the Mam Presbyterian. With the donation and loan, we should be able to complete everything.

We ask that we be given a term of five (5) years to pay, paying the equivalent of \$180.00 per year. If it's convenient, we would make payment every time you come to visit to avoid complications in paying.

We appreciate your understanding and attention to our letter and hope that you understand the words we are trying to express.

Sincerely,

Olga Marina Vazquez
