

In covenant with the congregations of New Castle Presbytery, **IGNITE'S** purpose is to kindle and tend the spark of mission and ministry uniquely inspired by Christ through and within each.

**IGNITE** will participate in these covenantal relationships by:

**Listening** to the stories of each congregation, honoring where they're heading;

**Discerning** with the congregation and community how to be the missional Church in their community and in the world;

And **Empowering** leadership and congregations to be courageous, creative, and innovative and offering the resources necessary to fuel new endeavors.

That's up to each congregation. And we can't wait to see how the **Holy Spirit** ignites each one!
