A Child Protection Policy Statement

_____ Church and its members are committed to the safety, welfare and protection of all children and youth participating in the activities and programs of the Church. During each baptism of an infant, child or adult, the congregation pledges to uphold that person in the household of God. To these ends, the Session hereby adopts reasonable policies and procedures in order to minimize the possibility that any child or youth (meaning all those 17 years of age and younger) will be subjected to physical or emotional abuse or neglect by Church staff, paid childcare workers, teachers or volunteers while engaged in church programs or activities. The policies and procedures adopted seek to balance the security and welfare of the children and the legitimate expectations of privacy of staff and volunteers.

Standards of Conduct

- f* Paid or volunteer adults shall not touch or interact with children or youth in any way that is sexually stimulating, emotionally demeaning, or exploitative. Common expressions of affection and affirmation (hugs and pats on the back) or physical care (diaper changes or first aid) are appropriate in this or any community of caring Christians. Staff and volunteers must be careful that physical expressions of affection are not excessive or imposed upon another individual.
- f* Paid and volunteer adults and youth working with children and youth are also tasked with guarding the physical and emotional safety of those in their care and to be aware a signs indicating neglect of the child's well-being.
- f* Those people working with children or youth should work in pairs. Whenever possible, two adults should be present with the children at all activities. _____ recommends that staff and volunteers transport children and youth in groups rather than alone. In ordinary circumstances, an unaccompanied adult should not drive a single child in a church sponsored activity without the permission of the child's parent or guardian.
- f* All volunteers for ongoing assignments shall have completed an approved Volunteer Application form (See Implementation segment below for details)

All documentation associated with the CPP and volunteer applications, and all documentation concerning potential allegations of physical or emotional abuse or neglect will be held in confidence by the CPP Review Team, the Pastor, the DCE, and whichever staff person is responsible for the program area involved. All documentation will be kept in

locked storage in DCE's office and applications will be kept on file for a 5 year period past the active service of the volunteer.

The CPP Review Team is responsible for review and subsequent approval or disapproval of each volunteer application. If the Review Team disapproves an application, that decision will be reviewed by the Pastor and DCE to determine if any additional actions are necessary beyond the notification to the applicant and the committee. Upon completion of each application review, the CPP Review Team will first notify the applicant of its decision and subsequently notify the committee. Reference checks, police background checks and child abuse checks shall be made when deemed necessary.

Procedures for Handling Misconduct Allegations

The issues of sexual and/or emotional abuse or neglect involving a minor, whether perceived or actual, need to be dealt with immediately, effectively, and with great discretion. Virginia law requires that allegations of abuse or neglect of children be reported immediately to proper authorities. In _____ County that report is made to Child Protection Services at _____. It is the responsibility of the pastor, and/or DCE to see that such report has been made. It is suggested that in every case of alleged abuse or neglect of a child the Administration Committee chair contact and involve Trinity's liability carrier, verify that Child Protective Services has been notified, and that the proper written documentation of the allegations and proceedings is maintained.

The intended procedure is to report any allegation of abuse or neglect to the Pastor, Director of Christian Education and/or the Clerk of Session. If the alleged offender is a professional staff member, the report should be made to the Clerk of Session. In the specific case of the complaint being made against any ordained minister, the Clerk of Session should notify the General Presbyter and Stated Clerk of National Capital Presbytery and request guidance on the procedure to be followed in processing the allegation and obtaining a Moderator for the Session. The Clerk shall also notify the General Presbyter and Stated Clerk if allegations have been raised against a member or non-ordained staff person.

Administration Committee elders and/ or the pastor will be responsible for maintaining contact with the police, the victim's family and for determining further actions in consultation with the session and chair of the Administration and Finance Committee.
