

Connectional Presbyter Search Committee
September 8, 2020

Friends,

Our Search Committee continues its work. We have met fourteen times as a committee including meetings with the current Presbytery staff (Co-connectional Presbyters, Missional Presbyter and Administrator) and reviewed seventy-five Personal Information Forms.

Of those seventy-five we have asked fourteen candidates to respond with written answers to a set of questions, and from that fourteen, we have conducted eleven interviews with candidates via Zoom and continue that interview process as we narrow our selection.

We continue to receive applications, so if you know of strong candidates to be our next Connectional Presbyter please encourage them to contact us soon.

It is our hope that we will be able to present a candidate to the Presbytery by the end of the year.

Thank you for your prayers as we continue the process of discernment.

Dianne Deming, Miriam Foltz, Julius Jackson, Gary Patterson, Tom Speers
