

Committee on Leadership
Report to Presbytery – September 20, 2022

A highlight of the spring for COL was the SURPRISE gathering in April to recognize Donna Scully, Presbytery Administrator and Assistant Stated Clerk, for her exceptional service to our Presbytery for the past fifteen years! Donna consistently presents as a faithful, competent, efficient and pleasant face of the Presbytery. Donna is unfailingly helpful to any who approach her, and we are so blessed and grateful for her service. Thank you, Donna!

This year COL transitioned to an annual review process for each staff member. We completed these individual reviews in July and August, and so appreciate the opportunity to celebrate the successes and opportunities that were shared with us. Our Treasurer and Accounting Administrator, Jerry Hunter, is now in his second year with the Presbytery and continues to implement and streamline financial work processes for the benefit of the Presbytery. We remain very thankful for each member of the Presbytery staff and the leadership they bring to us.

Early in the year, COL members elected RE Letha Hammon as Chair, RE Chick Reed as Vice Chair and re-elected the Rev. Gerald Egger, Secretary. Other members of the COL include: RE Gary Patterson and the Reverends Lyle Dykstra and Jill Tolbert. Thanks to each for their committed service to our Presbytery!

Submitted to COL Chair, Elder Letha Hammon
