

# Harvest of Hope

## Hands-On Service/Study Events

### WHAT ARE HARVEST OF HOPE EVENTS?

Harvest of Hope events are faith-based, experiential, service & learning opportunities that provide you and your group the opportunity to take action, get involved in hands-on activities, and rescue and share good food with people in need.

Participants glean and distribute produce remaining in fields after harvest during the day and learn about the realities of hunger each evening. Bible study and worship round out days of Christian community and service, providing a basis for ongoing commitment to ending hunger.

More events will be added as they are confirmed, so if you don't see an event that works for you, please contact our Harvest of Hope Director- Tresca McSwain at 540-707-6513 or [hoh@endhunger.org](mailto:hoh@endhunger.org).
